3. Planning.

Consider the following applications

- 11/00029/FUL Alterations and erection of a 2 storey extension, The Laurels, Queen Street, Keinton Mandeville

The plans were considered and observations invited. Comments were made as follows

- concern about the proposed weatherboard on the east elevation - strongly considered that materials used should match the existing materials to ensure that the visual appearance is in keeping with the style of the cottage and other properties on the street
- no other concerns

Recommend **approval** with comment that the considerations above are taken into account.

1st BG 2nd MR unanimous.

4. Royal Wedding card competition

- Agree detail of competition for the school children, including prizes.

It was proposed that a card competition should be opened up to the primary school children and that the overall winning card made into a formal card and sent to the Royal Wedding Couple. Agreed that there should be a 1st 2nd and 3rd prize for the infants and juniors respectively with a total prize fund of £40.

5. Any other reports

It was noted that a bill had been received from the Quarry Inn and that the PC contribution to bill for the coffee and the Sir Henry Irving club members' lunch would be £35 (significantly less than the contribution that had been agreed at the last meeting.) Suggested that the cheque could be paid before the next meeting. Noted that £100 had been donated by the lunch club. Clerk to make arrangements to pay the bill.
