## RNLI Shoot

A double National round was the order of the day. Peggy from Shoreham lifeboat came up for the day along with two others members of the crew. The two guys shot the first six arrows of the day and then decided to shoot the whole day a 12 dozen round - which is a lot for someone who has never shot a bow before. Peter Champion as "chief fine person" for the day was in his usual style of making up the fines on the spot for all manor of reasons, to help remove all of us from the money that we had brought with us for the day. A lot of people completed the double round and all were suitably tired and broke for our efforts.

## Field Shoot

A shoot of sixteen targets were set out in the morning for the club to shoot at as per usual. This shoot differed from the normal in terms of only paper faces because Richard Tapley and John Southcott had purchased three 3D targets (two deer one standing and one lying down) along with a wild boar. These made a refreshing change from the normal and made the judgement of distance slightly harder as to be not sure of the size of the animal in the first place. There are no results for this shoot as the Club competition is based on your best 3 scores from the 4 field shoots held during the year (You must shoot the same bow type at all shoots to comply); prizes will be awarded at the AGM in April.

## Surrey Outdoor Championships - July 2007

This shoot was held at a different ground to the normal one at Tolworth due to building work going on at the regular field, so it was held at Ember Court in Molesey - the field is not quite as large as Tolworth so the number of targets was slightly restricted. Woking fielded a large number of archers from all bow types and rounds - it was pleasing to see some relatively new members attending an outside tournament (hopefully not too nervous at a big new venue). The awards were presented in the Police Club Social Club and it was nice to be able to have a drink after your efforts during the day. The Club accredited itself extremely well as you can see from the number of awards / medals that were won on the day. The Team Award was won by Woking for the 6<sup>th</sup> year running.

## David Mond / Clare Butterfield Memorial Shoot

This is a memorial shoot to remember to people from yesteryear David Mond was Brenda's first husband and Clair Butterfield was an archer and wife of Martin Butterfield a former member who died tragically young.

## Sunday 19<sup>th</sup> August

### 1. Atkins Friendly Shoot

This is the competition between us and Atkins Archers based in Epsom we alternate holding this event it is held in the afternoon for a change and finished with a BBQ and tea, this year it was our turn to host. The competition is based on equal numbers of archers from either side if they bring 5 Recurve archers then only our best five Recurve scores count and so on down the bow types. The overall scores shown that we won with scores showing it was very close. Next year it is an afternoon at Atkins ground.

Woking	Atkins
3560	3554

## 2. SCAS Junior Inter Counties

On Sunday was the SCAS Junior Inter Counties was held in Essex for the fourth year running. This year the Surrey team consisted of Leah Gascoigne, Zoe Stovell, Jack Fuller, Connor Gallagher, and two members of Woking - Harry Taylor and Charlie Critchley. Unfortunately Leah's car broke down on the M25 and could not make it so Charlie was promoted from reserve to a full team member. The tournament started along with the rain which poured down almost constantly until about 12:30. All the team members shot well considering the conditions and Surrey credited itself well by being awarded 3<sup>rd</sup> place and bronze medals. With only 46 points separating 1<sup>st</sup> and 3<sup>rd</sup> places. The team would like to thank Les Bashford who put the team together. Sadly, this is his last year at running the team

## Club Shoot - September 2007

Today was the last Club Shoot for another 6 months so whoever won today got to keep their trophy up until April (when the next club shoot is!) - It was a pleasant day with the occasional blow of wind but other than that it was a perfect day for shooting. A few days before it was Brenda's 21<sup>st</sup> birthday. At least that's what it said on her badge anyway! Just before the prizes were given out Brenda made an announcement to congratulate the Woking juniors at winning the British Archers Winter Postal League division 2, the winter postal is a national competition so we did extremely well. The winning consisted of Max Windsor, Fay Bound, Harry Taylor, Scott Wigmore, Andrew Steel and Sophie Lee-Perkins, and here are the results for the Club shoot:

## Sunday 09/09/07 - WAC Open Tournament

On Sunday 09/09/07 was the WAC open down at the field. It was a good attendance from most clubs and lots from Woking... The judges of the event were James Taylor and Mark Critchley. With the Lady Paramount was Wendy Dorling. The weather had been perfect all day and in the prize giving some of the Midges had decided to come and watch as well! If there was a prize for most annoying insect they would have clean gone away with all of the prizes.

Most of the juniors if not all won the prizes at their respective distances. It was mentioned that it is a very friendly family shoot buy some of the attending archers and lets hope to keep it that way and that they all come again next year. One other thanks to Brenda and Peter for organising the tournament and also thanks to Simon and Alexa Bisson for producing the results in quick time. David Moore for the signing and Tony Down for the BBQ also John Wilkins for skilful use of the metal detector throughout the day and any other people if have forgot to mention.

## Sunday 16/09/07 - Club Championship Day

A very pleasant day for shooting, numbers down due to clash with senior Intercounties match in Andover. Many of the archers taking part had some very high scores and so will take a large drop in the own handicaps, well done to all.

## Sunday 7/10/07 Knock out Final

This was due to be the final of the year long competition based on the first score submitted in the month. It started back in April. But unfortunately 3 of the semi finalist could not shoot last month and consequently could not take part in the final. The winner was Sue Cooles well done Sue. Results are shown on attached sheets.

## OTHER NEWS

### Happy Birthday to Woking!

Next year is Woking's 40<sup>th</sup> anniversary and if anyone can think of anything to celebrate this could they please let any of the committee members know. Your ideas count!!! The committee consists of Peter Champion, Brenda Champion, Candy Schofield, David Moore, Richard Tapley, Peter Turner, James Taylor, David Smith, Pauline Pringle and Andrea Gales. If you are unfamiliar with any of these names please ask a member of the club and they will direct you to the right person!

### The New Gate

Please note we now have a new gate to replace the old metal gate. Please try to keep the gate shut at all times.

### Grand Master Bowman (GMB)!!!

On behalf of the club I would like to congratulate Andrea Gales for achieving her GMB for the second year running. She has been attending many shoots up and down the country (most of which she has won). Once again Andrea, congratulations. Also congratulations to John Wilkins for achieving his MB (Master Bowmen)

### Help Wanted

Brenda would appreciate any offers of help given in the kitchen on Sunday mornings and other times, therefore giving her more time to help those who need or want help at shooting. Remember you don't have to be a "shooting" club member to help! And you don't have to commit to doing every week - once a month would be great!

### Thanks to...

- Tony and Jonathon Down for replacing all of the posts along the field.
- David Smith for white lining the field.
- David Moore, Peter Champion and others for remaking all of the stands.
- All those who assisted on the corporate Have a go nights.

### Archery excuses for the occasional bad day!

- 1 My arrows and my bow were having a little disagreement.
- 2 I left my arrows at home.
- 3 I was just aiming where your arrows hit on the target to keep you company.
- 4 The last time I got my sight marks I was drunk but today I am sober and they were different.

### Sorry to end this newsletter on a few moans but could all members try to abide by the following

- 1 Speed down the road by the car park; please keep it down as some of the children (and even some of the adults) do not necessarily look!
- 2 Safety zone on any day please be aware that a minimum safety zone of 40 yards between targets must be adhered to if you wish to work to separate whistles any less than 40 yards then only 1 single whistle should be used.
- 3 Shooting starts at 10:00 on Sunday mornings please try and get there ahead of time in order to assist in the setting up of the field and to assemble your own equipment.
- 4 Assistance in setting the field for the days shooting.
