UCAS Application No. 98-000843-8
Oxford Application No. 700075
Course Code: Y616, PPE for entry in OCT99

2 January 1998

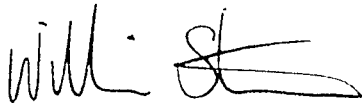

Dear Professor Ryan

Thank-you for offering me a place to read PPE at New College starting in October 1999. I am delighted to accept this offer.

I am writing to clarify your requirements for my A-Level results. In your letter you said the offer was conditional on my getting grades A, B, B, excluding General Studies in my forthcoming exams. In Summer 1995 I achieved an 'A' grade in A-Level Mathematics. I was unclear as to whether this could count towards the results you have asked for. I would appreciate it very much if you could let me know.

On a personal level, I know that my mother has talked to you about the press reports concerning me. I am very grateful to you for your understanding attitude to this and apologise for any embarrassment that this may cause you or the College.

Yours sincerely

William Straw
