

# *accountancy*

---

Derek Young & Co. prepare accounts using anything from a 'brown paper bag full of receipts' to a SAGE data back-up received by e-mail. The practice has been preparing accounts quickly and efficiently since 1960, in a format that is clearly presented and ensures compliance with all statutory regulations.

## **The preparation of your accounts by Derek Young & Co. has the following benefits:**

- Y** Clients are given a clear picture of how their business is performing.
- Y** Unlike many practices, Derek Young & Co. go beyond simply preparing the accounts and take the time to explain the figures in terminology that is meaningful to our clients.
- Y** Advice is given, based on the figures produced, as to possible ways to improve future performance.
- Y** A set of accounts prepared by a respected practice such as Derek Young & Co. is less likely to be challenged by the Inland Revenue.
- Y** An accurate picture of past performance assists greatly in future planning.

## **Further advantages:**

- Y** Derek Young & Co's accounts production techniques are heavily computerised. Through the utilisation of efficient computerised techniques since the late 70s, we have been able to keep our costs to an absolute minimum and hence keep our fees low.
- Y** At Derek Young & Co. we pride ourselves on our personal, friendly approach to our clients. On average, our staff remain with us for almost a decade. Through this low staff turnover, our clients are able to deal with familiar, friendly staff who have a thorough understanding of their business.

***“Derek Young & Co. take the time to explain your accounts in terminology that is meaningful to you”.***
