Derek Young & Co. have been providing a computerised payroll maintenance service since the late 1970s. With such rapidly changing legislation, the importance of a reliable and accurate payroll maintenance service has never been greater.

Preparation of your payroll records by Derek Young & Co. has the following advantages:

-  Our systems ensure that our service is constantly updated for changes in legislation
-  Confidentiality is ensured by keeping the payroll records off your premises
-  As the preparation of your payroll is not dependent on your own in-house staff, continuity of preparation is guaranteed
-  We make sure that all payroll related deadlines are met thus ensuring the peace of mind of our clients
-  We can deal directly with the Inland Revenue on behalf of our clients
-  Computerisation of our payroll systems ensures maximum efficiency and accuracy

“Derek Young & Co. have been ensuring payroll-related peace of mind for their clients since the late 1970s.”
