

Blackshaw Grange

4 star accommodation

Welcome to our holiday cottages set in our own private grounds with ample parking. On the edge of the Peak District National Park, Blackshaw Grange Holiday Cottages provide an excellent base for walking, touring and climbing.

Blackshaw Grange house and cottages

Blackshaw Grange is situated around 2 miles out of Leek on the A53 to Buxton.

Look out for the Blackshaw Moor sign and take the next left turn after the 50 mile per hour sign and left again into the driveway.

If approaching from Buxton we are around half a mile past the "Three Horseshoes Hotel" on the right.

Prices include linen, electricity, heating costs and a welcome pack. Towels and a travel cot are available at no extra cost by arrangement.

Other amenities on-site include a washing machine and dryer, ironing equipment; children's play area and garden, barbecue and garden furniture.

The Roaches

There is ample parking space and well-behaved pets are welcome at no extra cost by arrangement.

Guests are requested not to smoke inside the cottages.

The Roaches

The kitchen has an electric halogen cooker with double oven, a fridge-freezer, iron and ironing board. There is a wide range of high quality cookware, utensils and crockery. The Roaches is detached, spacious and centrally heated with master double bedroom, two twin bedrooms, a large bathroom, large lounge/dining room, a kitchen and separate cloakroom. The lounge/dining room has a fire, 3 and 2 seater settees with matching armchair and a dining table with 6 chairs. It is also equipped with a Nicam stereo television with remote control, a dvd, video and a mini hi-fi system. The bathroom has a bath, separate shower cubicle with electric shower, toilet, washbasin and mirror with shaving point. The bedrooms are well appointed with comfortable beds and hand made locally wardrobes, drawers, dressing tables and bedside cabinets.

The Roaches master bedroom

The Winking Man

The Winking Man is on the first floor with oak beams throughout and is traditionally furnished with wardrobes and drawers made by local craftsmen. This cottage, having a double bedroom and a single bedroom, sleeps 3 adults and has a 2 seater settee and an armchair in the living space. There is a television and dvd/cd player. The kitchen although small is well equipped and has a microwave, cooker, fridge/freezer, toaster, kettle and coffee maker. There is also a shower room with toilet and washbasin and the whole cottage has a cosy feel for a relaxing holiday.

The Winking Man has been recently refurbished and like the other cottages is 4 star accommodation.

The Winking Man living room

Ramshaw Rock

Ramshaw Rock is a centrally heated ground floor accommodation comprising a double bedroom, a shower room and living/dining area with kitchen. The bedroom has a double bed, double wardrobe, a dressing table, 2 bedside cabinets with bedside lights and clock/radio. There is also a hairdryer. The traditional oak beamed living room has an attractive coal effect electric fire with surround as a focal point, 2 comfortable leather reclining chairs, dining table with chairs and a new flat screen television with remote control.

Ramshaw Rock bedroom

It also has a dvd/cd player. The kitchen is well equipped with a cooker, a fridge/freezer, microwave, toaster, kettle and coffee maker. There is a wide range of high quality utensils and crockery. The shower room has a toilet, hand basin, electric shower and extractor fan. Ramshaw Rock has attractive beams throughout giving a cosy feeling of warmth and comfort.

You will receive a warm welcome from your hosts who are on-site to help with any queries and will give information about the area.
