Qualified Staff - Well done Girls !

Caroline Bennett (left) and Sam Carter have both passed NVQ Animal Care Qualifications this Summer. Caroline passed a Diploma, winning a merit for her efforts and Sam a Certificate with a Distinction to her credit. Both girls attended Moulton College in Northampton.

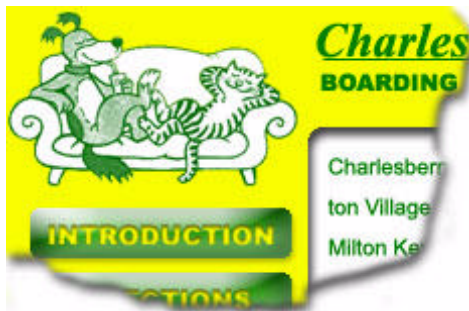

Caroline joined our full time staff in August and we wish her well in her newly chosen career.

Sam returns to college after September to complete her course, after working the whole Summer with us, thankfully she'll be back at weekends.

Pulling down the barriers

Drive into the new car park and see where your dog is! At lots of other Kennels you leave your dog at the gate and don't even see where they're going. You should have peace of mind and know they're happy.
