Charlesberry Kennels

New Exercise Paddock - is ready for Action!

As well as having their own, exclusive, much larger than average exercise areas, dogs now have the opportunity to stretch their legs in our **secure** grassed exercise paddock. As shown by Caroline and Blaze the Jack Russell Terrier (ball in mouth), pictured opposite. Dogs will be exercised on their own, to ensure one to one attention and to avoid nasty scrapes with other canines!

Pet Taxi Service Hailed a Success

Luxury Pet travel to and from the Kennels and Cattery is now available on weekday mornings. Operating in Milton Keynes, Bedford, Northampton and surrounding Villages. Further-a-field locations will be considered upon application. This service is available for bookings made at least several days before your Pet's arrival. All local areas are menu priced and available upon your request.
