Charlesberry Kennels

Now Recommended by 'The Pet Care Trust'

Charlesberry Kennels can now boast to be the only Kennels and Cattery in Buckinghamshire, to be recommended by The Pet Care Trust.

The Trust's charter requires members to abide by a strict code of practice which include standards in; hygiene, temperature & size of accommodation, ventilation, exercise facilities, emergency procedures, staff training and much more.

They also provide a conciliation service when complaints cannot be easily resolved.

The Trust played a leading role in the compilation of the Model Licence Conditions for Animal Boarding Establishments in 1994.

Not all local authorities have adopted these 'model conditions' therefore standards can differ greatly from one Licensing area to the next.

The Trust's key aim is to promote Responsible Pet Ownership and Welfare.
