1. If you are a member of the BCU please give your Membership number: _____
2. Do you hold any current BCU qualifications? If yes, please indicate below which qualifications you hold:

If you are not a member of the BCU it is recommended that consideration be given to joining as membership automatically includes third party liability insurance. BCU membership entitles the use of member's boats on the River Medway and some other inland waterways. It is also recommended that insurance is arranged for equipment stored in the clubhouse as the club is unable to accept any responsibility for privately owned equipment.

Please provide details of any medical condition which may affect your ability to participate safely in canoeing related activities. If any new condition arises during the period of membership it is your responsibility or, in the case of a junior member, your parent/guardian to advise the club. The club cannot accept responsibility for the health and safety of a member if an incident occurs as the direct result of an undeclared medical condition.

When complete please return this form with your remittance to the membership secretary at the address below. New member applications are subject to ratification by the committee following completion of an introductory course.
