

Tamworth Junior Football League

PLAYER REGISTRATIONS - SEASON 2008/09

Team Name _____ Age Group _____

PLEASE READ THESE NOTES FIRST

Last season the TJFL introduced Registration Books for players, which are intended to last for each player's entire Junior League career. If the player was registered with the TJFL last season you will need to enter his/her 2008/09 season details against the relevant age group in that book and RETURN THE BOOK TO THE LEAGUE ALONG WITH THIS COMPLETED FORM at the August 18th League Meeting (from 7pm until 8pm and then when the meeting has finished). Books will be checked and available for collection from the League on September 1st (7pm until 8pm).

A team MUST register at least the following MINIMUM number of players by the August 18 meeting to be included in the new season's fixtures. U9s – 6; U10s – 7; U11s to U18s – 11.

NB: For U7s and U8s (minimum 5 players) the registration date is September 1st.

If any team wishes to register players who were not in this League last season and therefore do not have Registration Books they must obtain and complete a 'NEW PLAYER REGISTRATION FORM' for each player (available from the Registration Secretary) and attach to this form when returning, along with two passport type photos and proof of birthdate.

PHOTOS: Players who were registered at U7s, U9s, U11s, U13s, U15s & U17s last season WILL NOT need new photos – the photo & signature already in the Registration Book will also serve for this season. Simply enter their 2008/09 team details and return for checking. Players who were registered at U8s, U10s, U12s, U14s & U16s last season WILL need to supply ONE new photo for this season, which must be glued NEATLY into the relevant space in the book, and signed in the space below it by the player.

The League will reject any registrations which do not have the photos already glued in or are not signed.

2008/09 SQUAD

	Surname	First name	Date of Birth	Last Season**
1	_____	_____	_____	_____
2	_____	_____	_____	_____
3	_____	_____	_____	_____
4	_____	_____	_____	_____
5	_____	_____	_____	_____
6	_____	_____	_____	_____
7	_____	_____	_____	_____
