PLAYER REGISTRATIONS - SEASON 2009/10

Team Name _____ Age Group _____

PLEASE READ THESE NOTES FIRST

Registration Books for players were introduced a couple of years ago to last for each player's entire Junior League career. If the player was registered with the TJFL last season you will need to enter his/her 2009/10 season details against the relevant age group in that book and RETURN THE BOOK TO THE LEAGUE ALONG WITH THIS COMPLETED FORM on Monday 10th August (U9s to Youth) or Monday 17th August (U7s & U8s) between 7pm and 8pm at Tamworth FC. Books will be checked and available for collection from the League on a date to be advised at the League Meeting and via the website.

A team MUST register at least the following MINIMUM number of players by the August 17th League Meeting to be included in the new season's fixtures. U7s & 8s – 5; U9s – 6; U10s – 7; U11s to U18s – 11.

If any team wishes to register players who were not in this League last season and do not have Registration Books they must obtain and complete a 'NEW PLAYER REGISTRATION FORM' for each player (available online or from the Registration Secretary) and attach to this form when returning, along with two passport type photos and proof of birthdate. If a player was registered with the League in the last two seasons and you do not have his/her registration book, please check with the Registration Secretary, as the League holds returned books.

PHOTOS: Players who were registered at U7s, U9s, U11s, U13s, U15s & U17s last season WILL NOT need new photos – the photo & signature already in the Registration Book will also serve for this season. Simply enter their 2009/10 team details and return for checking. Players who were registered at U8s, U10s, U12s, U14s & U16s last season WILL need to supply ONE new photo for this season, which must be glued NEATLY into the relevant space in the book, and signed in the space below it by the player.

The League will reject any registrations which do not have the photos already glued in or are not signed, or books/forms which have not had ALL the details correctly entered.
