6 Veteran

Troops change orders as Russian 1944-45.

Other troops (Army/Asaltos) are attached to specific Columns (which count as battalions in all circumstances) as per 4.1 Divisional Reconnaissance Attachments (Pg 8).

Guns/vehicles attached to Columns count as Battalion Support weapons (7.4.1 & 8.1.1).

Tiznao (Improvised armoured trucks) can only move in Open & on Road.

Artillery are NOT attached to specific columns as per 8.1.1, instead they must use either Pre-planned Bombardment Fire Missions (8.7) or Crew-sighted Observed Fire Missions (8.4).

Guns of less than 100mm calibre may be attached to Columns as Battalion Support Weapons as above.

Dice (1D6+1) per stand for available ammunition (8.3).
