As Scrutineers appointed in accordance with Section 49 of the Trade Union and Labour Relations (Consolidation) Act 1992 (as amended), we are satisfied as to each of the matters specified in subsection 52(2) with regard to the election. The following points should also be noted:

- 1) The person appointed under section 51A to carry out the storage, and counting of voting papers was Electoral Reform Services Limited.
- 2) The person appointed under section 51A to carry out the distribution of voting papers was Electoral Reform Services Limited.
- 3) A copy of the register of voters (as at the relevant date) was examined in accordance with section 49(3). The examination took place at our own instance and did not reveal any matter that should be brought to the attention of the trade union.

We would draw your attention to Sections 52(4), 52(5) and 52(6). 52(4) which require that a copy of this report be published and made available to all members of Unite (T&G Section) within a three month period from today. This however, does not mean that every member has to be notified individually.
