

FIREWORKS NIGHT - 5th November

Just to remind you all to make sure you get your tickets for what we promise will be a fantastic night! After receiving such a great response last year we have doubled the amount we are spending on fireworks this year to make the display bigger and better so please support us again and persuade all your family and friends to join you! We are going to ensure that there will be a huge supply of those delicious homemade toffee apples that sold out so quickly last time and although you can pay on the gate on the night we strongly urge you to buy them before in order that we can cater for the correct numbers. If anyone can help with distributing posters in the area please let Sarah know - we want to publicise this event as much as possible.

COPPER TRAIL

Remember this finishes this Friday 24th October so please empty your pockets, check under the sofa and send all those copper coins in with your child! Birchtor won the trophy last year - who will win it this time? At the moment the buckets seem to have half the amount of coins they had in them this time last year so come on everyone - make your child's day and help their class win. Lets beat last years amount!

PRESCHOOL HALLOWEEN DISCO Friday 24th October

This is a pre-school organised disco and just to remind you that you get your tickets at the door on the night. Don't forget it's fancy dress and please note that Preschool children and Year 1 must have adults accompanying them as do Year 2 at the later disco. Please support your local preschool.

Sarah Day 01626 353092 or email jimmytamley@tiscali.co.uk

PS. Date for your diary Christmas Fayre December 5th

If anyone has any great ideas for stalls or games for this event please do let one of the pta know...we are always on the look out for inspiration!
