

Denbury Women's Institute

There was a lot of planning on the agenda when Denbury WI met in March. We had our annual dinner at the Union Inn coming up AND we are hosting both the Group Quiz and the Spring Group Meeting in the next month. Busy, busy!

Our speaker was Charles Baughan of Westway Sausages. Charles lives locally and set up his factory in Newton Abbot in 1998. Coming from a family of sausage makers, he now has 50 employees producing approximately 30 miles of top quality sausages each week! His motto is "Local food for local people". His talk was both informative and amusing, and each member took a sample of his produce home to taste. (Feedback is VERY positive!).

Jane Gibson won the raffle. The competition for most words from the word "sausages" was won by Pennie Stinton, with Valerie Rowell second and Jane Gibson third. Next meeting is on April 7th. Not to be missed – it's David Snelling presenting the Sequel to his splendid talk on "Operation Henry". All who heard it will certainly remember his story of the journey through France and Spain with his "hinny" (NOT a mule), Henry. See you there!

STOP PRESS: Tom and Axelle passed the WI inspection with flying colours! A lovely meal, beautifully presented. Top marks for the Union!
