Each Club should register the names of those persons expected to be used during the Association's 2011 Championships. These persons should be on the ASA database for the Child Protection Act, and be registered members of the ASA. Clubs should notify the Championships Hon.Secretary in writing of any changes to personnel.

A maximum of three persons will be allowed on poolside from the list above during a session. Official badges must be worn at all times whilst on pool side, these will be available for collection from the table at the first Gala. The Association reserves the right to check your personnel you use on poolside and eject any unauthorised persons from Poolside.

You must return this form at the same time as your entries.
