Saturday, Nov 6th: ANDREA PATTINSON TRIO

Well, the band came highly recommended, and we heard the demo tape, and were just staggered by the voice and the combination of double bass and keyboard. Superb dusky Cole Porter numbers and classic blues with a hint of jazz. One of those nights you'll remember always. *King's Head: £4.00*

Thursday, November 11th: Contemporary Dance with DEBBIE PURTILL DANCE COMPANY

Including a workshop or two with students at Haydon Bridge High School, this athletic show includes 6 ft tall jelly babies, and ehrrmm, contemporary music. We'll take on anything good! We're gonna have fun! *Village Hall £4.00/£2.00 conc*

2nd Friday, November 12th: MUSIC NIGHT

We can't help it, we just love these nights, and now that the fire is oh-so-warm, and it's just the regulars, it's, well, it's just lovely. Invariably a cache of pearls to treasure each and every night. *King's Head: £1./50p*

Saturday, November 13th: MAD PUDDING

We heard this rockety Canadian Celtic band from Vancouver at Brampton Live this summer, and we were blasted away by their energy, fizz and effervescence. With support the **Elderberries**, smokey folk blues *King's Head: £5.00*

Friday, November 19th: MAGGIE BOYLE

Oh, if you're looking for one incredible voice from all of our programme for this quarter, you'll have to make it for this evening with Maggie. We were on the phone as soon as we got her latest CD, with a special thanks to Tom McConville for the recommendation. *King's Head: £5.00*

4th Friday, November 26th: MUSIC NIGHT

If you haven't experienced one of these nights, then you really must try one on for size! They've inspired all the rest, and if you want to know why, drop in and see! *King's Head: £1/50p*

Saturday, November 27th: A night in the city

We're organising a taxi to take us to Newcastle's Jazz Café for some serious worry-free drinking and a bit Salsa dancing, and why not! *Non-refundable deposit of £10, see us at the bar!*
