Acton Green
AGRA
Residents' Association
www.actongreen.org.uk

Acton Green Residents' Association is a voluntary association run by local people for local people. Anyone living in the area bounded by Acton Lane, Bollo Lane, the Silverlink Railway (North London Line) Kingswood Terrace and Fletcher Road is welcome to join the Association and participate in discussions that affect our area so that we can represent your views and concerns. We are not allied to any political party, commercial organisation or pressure group, and our funding relies entirely on the subscriptions from our members.

We have recently been actively involved in:

- the CPZ schemes, traffic and parking
- Neighbourhood Watch, Safer Neighbourhoods Scheme and the local Police
- Chiswick Park Business Park developments and monies designated for our area
- Street cleaning, street lighting & environmental issues
- Acton Green Common, its upkeep, and the children's playground
- Local Transport issues

Our website **www.actongreen.org.uk** is updated with local news, and we also publish a regular newsletter. All meetings, including our AGM in March, take place in the Acton Green Church in Cunnington Street.

Membership of AGRA (payable to AGRA) is £5 per household per year (£2 if you are a pensioner or unemployed).

Your subscription helps pay for:	**The AGRA committee will:**
• running the website • publishing newsletters & notices • printing, postage, phone calls, subscriptions • hire of local hall for public meetings • corporate membership of local interest groups • buying Council local area plans	• keep an eye on contentious planning applications • lobby the Council on parking and traffic issues • work with local Police and Neighbourhood Watch • arrange public meetings and keep you informed on local issues
