Dear Resident,

There has sadly been an increase in Theft from Motor Vehicles in Southfield Ward.

Please ensure that you lock and secure your vehicles, and make sure that you do not leave any property on display. Mobile Phones, Satellite Navigation Equipment, Laptops and Money are the more common items that are being targeted, but even a blanket left on the back seat, or a brief case, can be inviting to a criminal. Please make sure that you turn off your "BLUE TOOTH" capable phones, laptops etc. Scanning equipment can search for these, even if locked in a boot of a vehicle.

We are making efforts to patrol the area more, and welcome any information that you have.

Please be aware, and remember to check your car, before you leave it unattended.

To report any crimes call Acton Police 020 8810 1212.

**In an emergency ALWAYS call 999.**
