

Groeswen Music

Songs and Tunes for the Young Musician

How to get to Mr. Edwards' music site.

Sir uses this site to help his recorder players, harmonica players and sometimes his singers. Music, harmonica tabs and words are posted to the site together with a midi music file. Using these pages, practise becomes a lot more fun.

The address of the site is

<http://www.btinternet.com/~groeswenphil/>

Now, make sure you type every letter correctly, especially the ~ mark just before groeswenphil.

Plan B:- Type "Groeswen" into Google. The website is near the top of the pages.
