DESCRIPTION

An advanced race of clones with the appearance of human females, Drahvins are a war-loving and power-hungry people who have reduced their male counterparts to breeding stock. They possess great cunning and stop at nothing to achieve their aims. As clones, all Drahvins look the same. They are dressed in a light blue uniform with blond 'beehived' hair. Their preferred weapon is a giant, and powerful, laser pistol.

ORGANISATION AND COMMAND

Drahvins organise themselves into small unit fighting detachments.

As they are clones they have no real leader, just a collective consciousness.
