BANNS

If both of you live in St. Bartholomew's parish you will need to complete one banns form.

If one of you lives outside St. Bartholomew's parish you will also need to have your banns called in that parish and obtain a certificate to that effect.

The banns are called on 3 Sundays (usually consecutively) and are valid for 3 months.

It is advisable to hear your banns called at least once.

If you are getting married by Special Licence your Banns will not be called and you will not be charged.

FEES

An account will be sent to you prior to the wedding, which must be paid in full at least 1 month before the date of your marriage. Payment can be either by cash or cheque (made payable to "Thurstaston PCC".)

¹ These are composed of national fees (which are increased each year) and local fees (which are reviewed each year and usually increased by a small amount).

² This charge covers copyright fee for live music and is payable whether family member, friend or professional takes the video!
