

SET-PRICE LIST NL18 - TRADITIONAL, DIXIELAND, REVIVALIST AND MAINSTREAM JAZZ.

As you will have noticed, the name of this list has been changed slightly from that of its predecessor. As the line between much modern traditional jazz and what used to be called mainstream jazz has become blurred, we have decided to list the two together. As usual with our set-price lists, we have only one copy of most of the items here, although we do have more than one of some. All are fully guaranteed to be in at least E+ condition with any damage to record or cover listed after the catalogue number and before the price. Finally, let me wish all our customers a Happy New Year for 2004.

Please note that we can accept orders by e-mail and fax now as well as by telephone or mail. Details of how to contact us can be found above. Records can also be collected from our Thursday Stall (D36) on Leicester Market.

PLEASE NOTE THE FOLLOWING ABBREVIATIONS.

cc = small cut in cover to signify deletion; dc = damaged cover; l.= light; m.= minor; N\* = new sealed; nc = needs a clean s.= small or slight; scf = scuff; scr = scratch; soc = sticker on cover; tc = tear to seam of cover; toc = tape on cover; v.= very; woc = writing on cover. RECORDS MARKED: v.l.scrs/v.l.scfs only have marks caused by moving disc from its sleeve.

COVER ART WORK: DSM = David Stone Martin; BG = Burt Goldblatt; PM = Pierre Merlin.

POSTAGE AND PACKING CHARGES ADDED AS FOLLOWS:

Inland: One LP = £1.50 + £1.00 for the second and 0.75p for each extra record up to a maximum of £7.00.

Overseas: One LP = £2.50 + £1.00 for each extra record (no maximum).

Please note that the overseas price covers AIRMAIL inside Europe and SURFACE outside Europe.

AIRMAIL prices outside Europe can be quoted on request. Usually they are about double the SURFACE cost.
