

VINTAGE AND CLASSIC JAZZ INCLUDING EARLY BE-BOP.(LAST AMENDED SEPT.10TH 2003)

As usual with our set-price lists, we have only one copy of most of the items here, although we do have more than one of quite a few. All are fully guaranteed to be in at least E+ condition with any damage to record or cover listed after the catalogue number and before the price. Please note that we can accept orders by e-mail and fax now as well as by telephone or mail.

Details of how to contact us can be found at the beginning of the list. For UK customers, please note that we now have a cell phone number which can be used during office hours.

**This list will stay current for at least six months. During that time many items will go in and out of stock. Therefore please feel free to make second (or even third) orders until the publication of the next similar list. You will also notice that there are many bargains to be found here. These are in bold type so that they can be noticed easily. USUALLY THIS WILL ALSO MEAN THAT WE HAVE SEVERAL COPIES OF SUCH ITEMS.**
