AOB:

Billy – don't forget club do Sat 13th Jan at Rivermill, £5 entry including food and disco. **Captains** to push and give tickets out as invites, pay on door. Stress not just for Belgium, also Giffy's 45th birthday and general club night

Bev – junior committee meeting 11/2/07 after Wombles session

Elan – Gary Croft wants to transfer to St Neots and play for 2nds

Phil – can we do this legally? **Elan & Phil** to ensure forms downloaded and sent to league organiser by 13/2/07 if we're OK to go ahead. Seems to be no problems according to handbook as long as paperwork in on time.

Phil – does anyone know the situation regarding Nathan R?

Jay – is pitch allocation fair? L3/4 early starts make it difficult for some players to be available. Billy – M/L1 need central times as do M/L2. Other men also have opposition with long journeys. Also issues with Kimbolton boys. Also issues with umpire availability eased when umpire-rich teams have more central times. Will be taken on board for next season, but priorities may mean little changes.

Ali – is there a policy regarding pitch inspection? Answer – yes, it is checked by someone, often Bev, if the conditions justify an inspection.

Next meeting 5th February, 2007. 7:45 for 8pm, Rec centre.

Meeting closed 8:47pm.
