

## Newsletter No. 66 October 1998

One of the Busiest summers we can remember has just about come to an end, so it is time to bring you all up to date with our Club activities and remind you of a few more due to happen over the winter.

### David Mond Memorial Shoot

This was held back at the end of July and certainly is is rather nice to shoot a longer round than usual from time to time, but what a pity is was not better attended! It was a pleasant day, not sunny but we didn't get roasted either. Two top secret new trophies has been produced - an engraved lantern by Georgina Baglow which went to the leading recurve archer on score, and an amazing aboriginal statue, complete with longbow and quiver of arrows from Don Bradley and Lawrence Braithwaite for the most golds by a longbow. We had a good day and a few people wrecked their handicaps

### Novelty Shoot

West Tarrins Boys Club came and joined us and a very good time was had by all - is the number of dead balloons on the field weeks later were anything to go by. A rudimentary popinjay has been constructed by Bob Stables which caused a great deal of amusement. - At this point in typing the newsletter Julia has discovered that a certain sadist Peter Champion has given her a huge sheet of paper with all the individual scores - all jumbled up as they were written at the time!!!

Suffice it to say that Peter C came first with 72 points, followed by Ken Church with 20 and Bob Stables with 46 - the rest is the scores dwindled rapidly down to 2, and I shall spare your blushes, and the ink in my printer. Still you must have had a relay good time with a total of 11 crazy targets to play with!

### Atkins Friendly

The company was marvellous, the venue couldn't be faulted, pity the weather dint come up to scratch. It poured all afternoon. We meet up with Atkins Archery Club once a year and this time CMO from Croydon came along too. This time there was no overall winning Club because of the variety of bow types. For the recurve team Atkins narrowly beat us. The compound mixes team was carried off by Croydon and WAC Longbows thrashed all comers. The planned national round was reduced to a Warwick after 2 dozen, and after 3 dozen we were relay asked if we relay wanted to continue - a split vote, so we did. Tea was most enjoyable and next year we will continue with the three-way concept. A delightful is soggy afternoon.

### September Club Shoot

It is rather frightening how fast the season has flown by. This was our last summer Club shoot so trophies will be held by winners until next April when it all starts up again. Unfortunately many members had to leave early that day because of doing a corporate event at Logica (which does bring some useful money for the Club) so in actual fact Club Shoot trophies were awarded at the start of Club Championship day.

### Surrey Longbow Championships

The weather forecast was atrocious but record number of WAC archers turned up and were blessed with largely sunny, blustery afternoon, interrupted by one ferocious hailstorm. Our field set-up team surpassed themselves in efficiency, Lawrence b doing the field layout, plus Colin, Erica, Tony Down, Shane and some keen outside helpers lending a hand. Paula Butcher did the teas, helped by Mark Franklin (Royal Richmond). WAC had a good day, getting all but two of the medals awarded.

### WAC Open

Held on the following day, so it was a busy weekend down at the field John Bridger's line to the almighty worked nicely and we stayed dry with a grey , chill, windy start and patches of sunshine in the afternoon. Some of our best arches were absent at the Intercounties in Essex. I think this shoot must be one of the best rewarded in the area, the medal and trophy awards go on for ever, and of course our raffle is well known for the quantities of wine and booze. Carol Bridger was our Lady Paramount. Above all thanks to Brenda and Peter for coping so marvellously with this competition year in year out!

### Club Championship Day

A beautiful mild, gently sunny, day - it was really quite unusual to stay dry for both the WAC Open and Club Championships, but what a pity some of our less experienced archers did not come - there are awards for just about all categories. maybe the title is a little fearsome, but in actual fact it was a very relaxed affair, the York / Hereford / Bristols round being shot quite speedily, and we finished just about 5pm.

## Field Shoot

This event now takes place three times a year and is a lovely change after all the target archery we have been doing recently. After rain overnight it was a little damp underfoot, but it stayed fine, and a good time as had by all, including a few visitors who joined us. We were sent out severe reminders about safety, but Andrew Philcox still led his team across the field waving a white flag after their tea and widge break. The cease fire/surrender worked - nice try Andrew! This is a good time to remind members of the Surrey County Field Shoot at the back of Box Hill, on the first Sunday on November. Brenda has an entry form and plenty are available on the wall of Quicks.

### Knock Out Final

Another chill grey day. Peter C who had been scoring for this year's senior finalist said the scores had never been closer - only three points separated Candy Schofield from James Taylor at the end. But this is the whole point of the event, in that the competition is run according to individual handicaps which cancel out the difference between bow types- so even though Candy and James were both shooting recurve they could still have no idea of how they were getting on.
