## IMPORTANT UPDATES

### Best Practice for the Protection of Children & Vulnerable Adults In an Archery Specific Context

This Workshop presented by GNAS Accredited Tutors to Level 1 Courses has now been stopped with effect from March 2008. This is due to changes to the legislation which means that accreditation of this workshop can no longer be given.

All Level 1 Courses registered with a 08 prefix must adhere to the following:

**The Child protection unit shall be covered by your Local Council CP workshops delivered by accredited sports coach UK presenters.**

The NCC is committed to The GNAS Child Protection Policy and shall work within these guidelines within the Coaching Organisation.

### Coaching Manual

The Coaching Manual is out of date and has been withdrawn with immediate effect. A review of the manual's contents is underway with the aim to produce an updated new manual.

## Level 2

Regional Level 2 roll out training has been delivered to coach education staff in GWAS, WMAS, & NCAS (including NCAS and EMAS staff).

Wales will receive their training in April, and Scotland in May and an additional EMAS training day arranged in 2008.

The NSG are putting the final touches to the Level 2 Qualification material. A pre-course disk will be available in April 2008, for course registration and staff awareness training. The candidate and tutor packs will be available in July 2008.

## UKCC Technical Officer

Hannah Bussey has been appointed as the UKCC Technical Officer, to start work on 1<sup>st</sup> April.

Her role will be focused on the process and administration of gaining and maintaining endorsement for our coach education qualifications. She will be attending the AGM this year, and aims to introduce herself at the next NCC. Hannah will also attend all NSG meetings as part of her role.
