Team Managers Report

20th August 2006

The Junior Inter-County Team Championships were held at West Essex Archery Club, Upminster, Essex on Sunday 20th August with eight counties taking part in the Recurve match. Middlesex, London, Buckinghamshire, Oxford and Kent being notable by their non-entrance in the competition.

The match was shot in breezy overcast weather for most of the day with one or two light showers early in the day, but the projected rain held off.

Due to illness over the weekend we fielded a full team, but without a non-scoring reserve, and I am pleased to report that we finished in second place, only 122 points behind Essex in first place. Taking into account that three of the team had not shot for the County before, combined with a younger age group, this was an outstanding performance from our junior team of Sophie Lee-Perkins, Harry McKeown, Connor Gallagher, Harry Taylor and Charlie Critchley.

I am further pleased to report that Rose awards were claimed from this match as follows:

Sophie Lee-Perkins	Junior Ladies U16	1000 Rose
Harry Taylor	Junior Gents U12	1000 Rose
Charlie Critchley	Junior Gents U12	900 Rose

The overall Recurve results where;-
