### Team Managers Report

May 2006

The Two-Way friendly between Berkshire and Surrey was hosted by Surrey at the Guildford Archery Club, Normandy, Guildford on Sunday 7<sup>th</sup> May. The competition was shot, in warm near perfect conditions, despite remaining overcast and a slight intermittent breeze at the targets.

This was the first time that the two counties had met in friendly competition and also the first time that the competition had been shot under record status condition since the change in the rules.

By the break at the end of the longest distance Surrey had managed to obtain a reasonable lead, in the senior match despite two archers having to retire from the competition, the junior recurve team however trailed Berkshire. The afternoon saw the senior team score increase steadily and by the second change of distance the lead had widened. The Junior team, despite a good effort, were unable to pull back to match their opponents.

The overall results where:-

	<u>Berkshire</u>	<u>Surrey</u>	<u>diff</u>
Senior Recurve	5625	5846	+221
Senior Compound	5364	5730	+366
Senior Longbow	701	1269	+568
Junior Recurve	5693	5021	-672

On an individual basis congratulations go to Andrea Gales for obtaining the top score of 1220 in the Senior Compound division, just short of the National record and to Candy Schofield with a top score in the Senior Recurve of 1048 on the day.

In the longbow competition the competition was between two Surrey archers with Steve Holder (Royal Richmond) just managing to beat Julia Madelin (Woking) by 1 point with a score of 437
