

County of Surrey Archery Association

Spring Longbow Championships Held on Saturday 6th May 2006

We again offer our thanks to the keen longbow archers of Woking Archery Club who helped with the setting up the field on Saturday morning, plus of course, Lawrence Braithwaite who helped with the layout on the previous afternoon. We also would like to thank all those who lent a hand either on arrival or at the end. Without their help this shoot would not be possible. Brenda Champion and Mary Tapley from our club did the refreshments and this was greatly appreciated. Judy Friedlander served the sherry, helped with the scoring and results and was our Lady Paramount.
