### Report

The weather just about right; a light wind and broken cloud it made for a good days shooting and improved scores from the spring meeting.

This was the first time Malden Bowmen had taken over fully from Woking (Julia and Colin Madelin) and I felt everything worked well. Malden Bowman's large contingent of 14 archers a 1 spectator meant they could get the field in place and have time for a picnic. Our thanks must go to our Lady Paramount, Julia Madelin (Woking) and our field captain Rod Hall (Malden) for doing their roles perfectly. Thanks must also go to Brenda Champion (Woking) for organising the catering, Sharon, Louise and Bonnie ( all Malden) for the preparing the results and Judy Friedlander (Reigate) for serving the sherry.

Final thanks must go to all the Archers who turned up. You are a great crowd and I hope to see you all in May. The Entry Form for the next shoot will be sent round to you all soon.

Hugh Walker
