

COUNTY OF SURREY ARCHERY ASSOCIATION

SPRING LONGBOW CHAMPIONSHIPS

held on Saturday, 5 May 2007

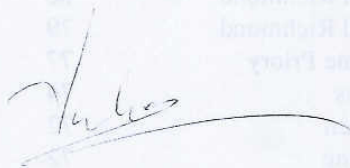

The weather was grey with a chilly north-easterly breeze, but the shooting conditions were quite reasonable.

Malden Bowmen are taking over the organisation of this shoot in September, so this month they were busy learning the ropes and sent over a large and enthusiastic working party. Particular thanks are due to Hugh Walker and Sharon Hawkins, also Shane Kelly as Field Captain, Colin Madelin for supervising the whole thing, Judy Friedlander for serving the sherry, and from Woking, Mandy Wigmore and her husband in the kitchen, and also Liz and Andrew Beech who kindly lent a hand wherever needed.

On a more personal note I would like to thank everybody for the wonderful flowers, Colin is looking forward to appreciating the sparkling Shiraz, and the superb mediaeval Arrow on Stand by Paul Reed will get pride of place at home. It has been a wonderful 10 and a half years, I think we have made a lot of good friends, and hopefully we will be around on the circuit for very many years to come.

A good shoot is not only down to the organisers - it relies on the wonderful people who come year in year out. So again thank you all.
