

County of Surrey Archery Association
Autumn Longbow Competition – Results 6 September 2008

I hope everyone had an enjoyable shoot, I would have loved to join in but it was not to be. The weather always plays its part and the passing showers and wind made life difficult but I thought it was better than the Forecast had predicted.

In the Spring I felt the 60yards was a little congested so I reduced the numbers on the target entry sheet to seven (even though I did allow 8 on a target) and I hope this provided a little more room. We had 81 archers (from 97 booked) on the day so we could have easily got 6 per target but people like to shoot in groups and so we had a spare target.

From a County perspective we had more archers than in previous competitions, especially on junior gentlemen. We are still waiting for a junior lady.

Well done to the medal winners. Unfortunately, even though we had two scoring systems we still had a problem. Apologies to Peter Foreman whose excellent score of 395 placed him in second place but this was not discovered until after the awards were given out. Also apologies to Jai Scudder who accidentally appeared on the wrong table.

My thanks must go to our Lady Paramount, Rae Harder (Surrey), our field captain Rod Hall (Malden), sherry Judy Friedlander (Reigate), field layout Colin Madelin (Woking), refreshments Brenda Champion (Woking), scoring team Carol, Sharon and Bonnie (Malden) and the Malden Bowmen field set up team.

Finally, thank you to all of you for turning up on a very blustery day, for shooting so well and for being so friendly. I've lots of back remedies to follow up on now and I hope to be back on the line next Spring. Hugh Walker, Organiser, 2008
Results will also be online on the Surrey web site.
