

WINTER TRAINING

The winter training sessions have been well received by all who attended. In light of this, a further three sessions have been booked. They have been booked for February 12th; March 11th and April 15th; will start at 10am and run until 5 pm. There will be no further sessions booked during the summer months so this is your last opportunity until the autumn/winter.

The cost will again be £30 per session to cover the cost of the hire of the facilities.

If you wish to attend would you please contact Ted Bradford on T/No: 020 8397 2603 so that he knows how many archers to expect.

If you know of any other members in your club who are interested in being coached please let them know.
