

## Gezellig O Tours

Switzerland O Week 2009 or Tayside 2009?

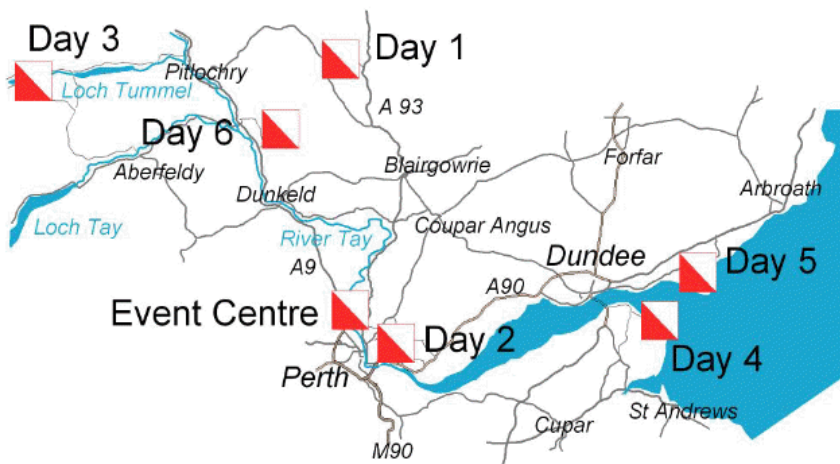

SOW2009	Tay2009
Alpine meadows, warm blue skies	Munros and moorland, blue skies
Wine and chocolate	Wine and Petticoat Tails
Plummeting pound	Funny Scottish money
Camping	Roof

GO Tours recognises its market and has chosen the land of subtle bagpipe arias over the raucous cowbell din of Switzerland for its Summer 2009 tour.

The plan is to stay in a self-catered "cottage" or "country house", depending on the numbers.

Don't miss out. Express your interest today by email to me. I need to know how big a property to find.
