

Woolbeding Common - Thank you!

A big thank you to all who helped at the Woolbeding event recently. The event went very well, the forest was excellent and the weather was kind yet again. We can't ask for much more than that.

JK help!!!!

GO & SN will be helping at JK on the Easter Friday, the Sprint race at University of Surrey. We have been asked to cover a range of tasks including control patrolling, car parking, enquiries, assembly field help etc. A number of you have already let me know you are available to help or not, thank you. But we need more. As the event is in the South East the assumption is that if you are going to run on one of the days, you will also be available to help. The organiser is becoming concerned he does not know how many helpers he will have. So please don't delay in letting me know if you can spare an hour or so. Helpers should still be able to run so get your entries in.

Keith

PS. If you don't put entries in before 21st February you may need a mortgage!

Clandon Park Run
