

Happy New Year

I would like to wish all GO members a happy new year and good luck in your orienteering endeavours during 2008.

Woolbeding Common regional event

At the beginning of February GO are holding a regional event at Woolbeding Common near Midhurst.

Help: Helpers are needed on the day – car parking, start(s), finish, download etc. Most helpers will also be able to get a run. If you are around on the day please contact [Jeremy](#) as help is greatly needed.

Entries: Paid up GO members can run free at our events. Whether you are helping or not, if you plan to run you should enter via email to entries@guildfordorienteers.co.uk. All the usual details are required – name, BO number, SI card, YoB, class/age group you would like to enter. If you just plan to run a colour course on the day (White, Yellow, Orange, Red) there is no need to pre-enter. If you want you can complete a standard entry form and email that - a Word document standard entry form is available from me (the one on the BO website is a pdf copy).

The club is planning a club meeting and social event on the Saturday evening before the event. Details to follow later.

CompassSport Trophy, Jan 13th

No details yet on the BAOC website, but check there for details.

Club Champs standings

David Abrams is at the top of the club champs leader board after 4 events. Details of points scoring are on the GO website. Round 5 was at the Ash Ranges event just a few days ago, with round 6 this coming Sunday at Epsom and Ashted Commons.

GO events
