

## Season Greetings

Best wishes of the season to you all and may you enjoy your orienteering adventures in 2009.

## British Champs 2009

BOC is "local" in 2009 being in the New Forest on the weekend at the end of February. Online entries are now open with the cheaper entry fee cut-off date set at 11<sup>th</sup> January, so not that far off.

## British Night Champs 2009

The British Night Champs are also local for 2009, being at Mytchett at the end of January. Do consider going along and giving night orienteering a try. It's not as difficult as many consider and the improvement in fairly cheap LED lights has been considerable, making it more accessible. Entries for BNC are now open.

## GO Club Champs

These are up and running with the proposed fixtures on the website. One event has already gone, the next being at SN's regional event at Long Valley on 28<sup>th</sup> December.

## Thursday Training

Remember that throughout the year there is a training run on a Thursday night. Whilst the evenings are dark these are from Spectrum at 7.30pm with a circuit of the streets of Guilford.

When the evenings are light the training runs move into the countryside with a variety of venues. Details of training runs can be found from the training page of the GO website.

## Scottish 6 days 2009

A contingent of GO members are planning to go to Scotland in August 2009 for the Scottish 6 Day event. The dates are 2<sup>nd</sup> to 8<sup>th</sup> August.
