

GO World Champion !!

At the World Masters Championships in Portugal at the beginning of July James Crawford pulled off a fantastic result in M50 at the new sprint discipline. Winning by a margin of over 30 seconds against a strong international field is no mean feat. Helped by GO domestique Keith Tonkin

who, starting 1 minute in front of James in the final, led him through the forested middle part of the course, James then pushed on through the final third of the race in the old town of seaside resort Praia da Vieira on the Silver Coast of Portugal, pulling out a further 15 seconds on Keith and establishing his overall win. Map/routes from James and Keith are on Routegadget at <http://wmc2008.fpo.pt/cgi-bin/reitti.cgi?act=map&id=3&kieli>
