

'O' hits the BBC

GO's 'rising star' David Abrams made the BBC news when cameras turned up at a recent army event at Yateley. The video is now on YouTube [here](#) or you can link through to it from the GO website.

On the same day the British Night Champs controller was interviewed on BBC radio 2. If you are interested you can listen to it courtesy of a link from the Nopesport [website](#).

Harvester Trophy

This year the Harvester relay is on May 17th at Hambledon (I understand) in the Chilterns. Established in 1978 the Harvester is a 7 or 5 person relay, starting at night and finish Sunday morning. Over the years I have managed to compete in most of them, even controlling one. I am looking to see whether there is interest in putting out a good team to try to crack the 5 person relay. Interested participants let me know!

The same afternoon is the JOK chasing sprint at Bloom Wood so it is possible to do both, or either.

Holiday orienteering in France

I've been sent details of an event in the South of France – [6 Jours de L'Aveyron](#) – from 2-9 August. If not going to the World Masters it seems this may be the summer event to race in. The areas are apparently very technical and should attract strong fields.

New members

Welcome back to Richard Barlow and Rob Keel who have rejoined this year, and a welcome to Stephen Price. Do spend some time talking to them if you meet them at an event.

British Night Champion

GO has a reigning British Night Champion.... Despite a wobbly run in the Forest of Dean last weekend, I managed to have a less wobbly run than anyone else on M50 and came away with first place.
