

Membership renewal

We are now into December which brings along membership renewal. British Orienteering members should all have received membership renewal forms by now. Those that pay by direct debit need do nothing, but if not then you should renew by sending off the form with payment to BO or renew online from the BO website.

It is important not to forget to renew because most events now implement the £2 surcharge for non BO senior members, and online entry systems should be checking against the latest BO database. Joining BO as a national or local member also ensures you are automatically covered by civil liability insurance.

Remember to take your membership card with you to events to ensure you receive discount for entry fees.

Woolbeding Common regional event

At the beginning of February GO are holding a regional event at Woolbeding Common near Midhurst. Paid up GO members can run free at our events. Whether you are helping or not, if you plan to run you should enter via email to entries@guildfordorienteers.co.uk. All the usual details are required – name, BO number, SI card, YoB, class/age group you would like to enter. If you just plan to run a colour course on the day (White, Yellow, Orange, Red) there is no need to pre-enter.

Long Distance Walkers events

The [LDWA](#) organises many events that you can also run at, some requiring navigational skills. Events coming up from the LDWA include:

- ❑ Surrey Inns Kanter (1 Jan) – 20 or 12 miles from Guildford, map and navigation skills required. ([Surrey LDWA](#))
- ❑ Wintern Tanners (13 Jan) – 30 or 20 miles from Leatherhead (although clashes with the CompassSport Trophy competition).
- ❑ Punchbowl Marathon (10 Feb) – 30 or 20 miles from Witley.
- ❑ Surrey Tops (29 Mar) – 50 miles(!) across North Downs and Greensand summits from Witley.

GO events

[Schools / club champs round 4](#)
